Langaoen, Jances Elizdanne

Florentin, Kristien Kaith

Sacal, Zarina Ma. Isabel

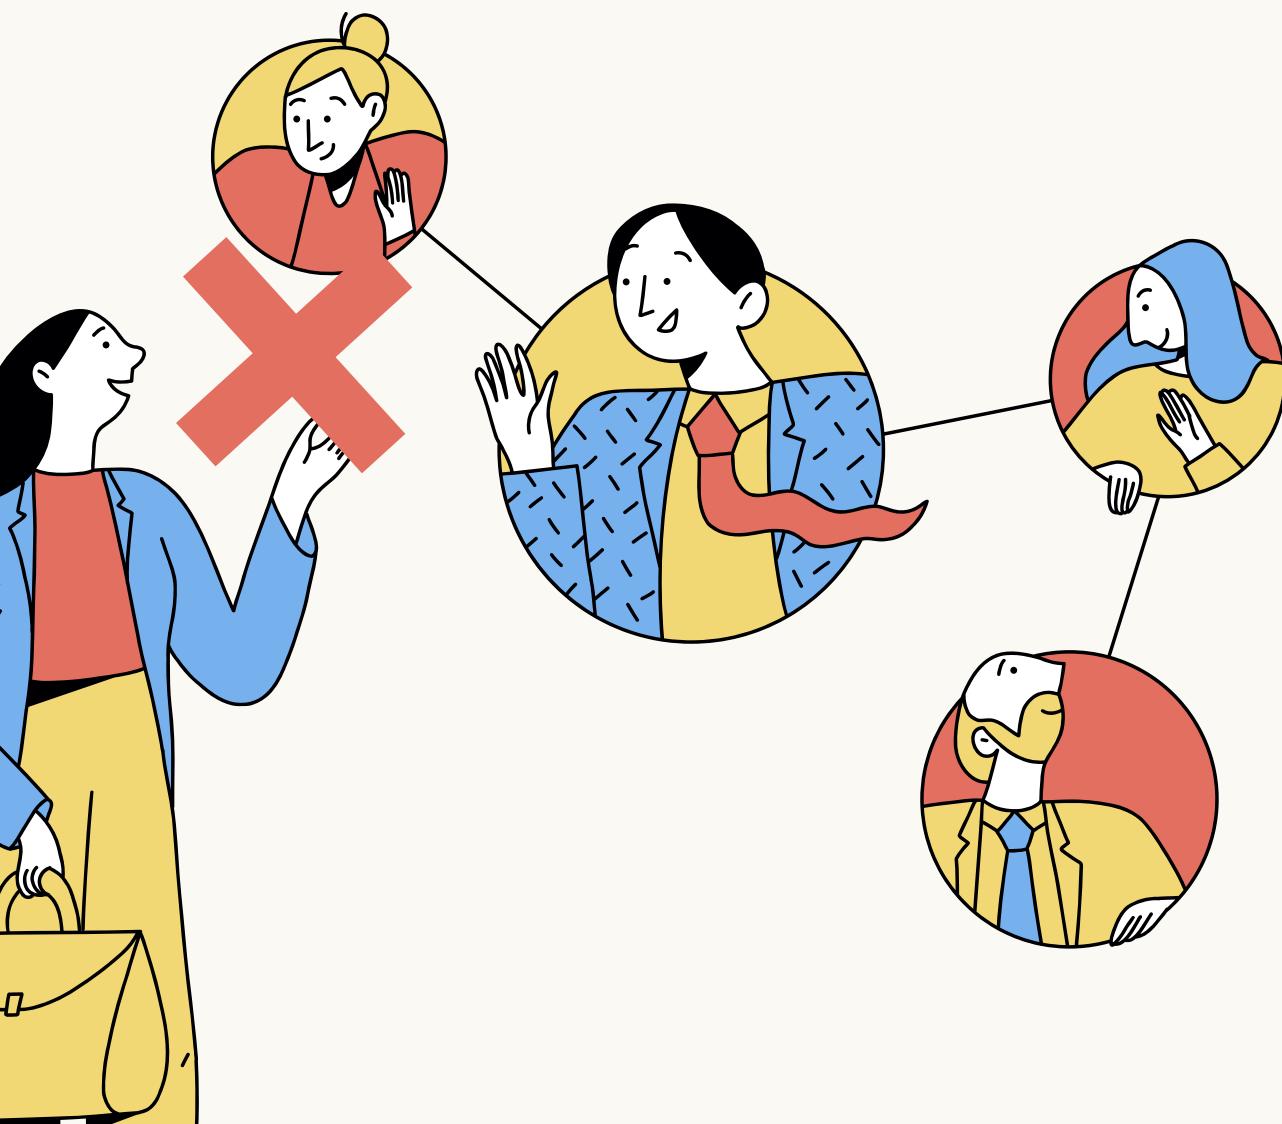

The Problem

Some locals are hesitant or unable to voice out their concerns to the barangay due to various challenges.

THE PROBLEM

1

Accessibility Issues

2

Safety Concerns

3

Credibility Issues

1

ACCESSIBILITY ISSUES

- Locals don't know who to approach for their concerns.
- Tight schedules prevent them from physically visiting the barangay office.
- The barangay location is far or inconvenient to access.

2

SAFETY CONCERNS

- Fear of life threats or personal repercussions when raising concerns publicly or directly.

3

CREDIBILITY ISSUES

- The prevalence of fake social media accounts raises the risk of scams and misinformation.

FEATURES of PiBApp

Suggestion Box

Types of Concerns

Announcements

1

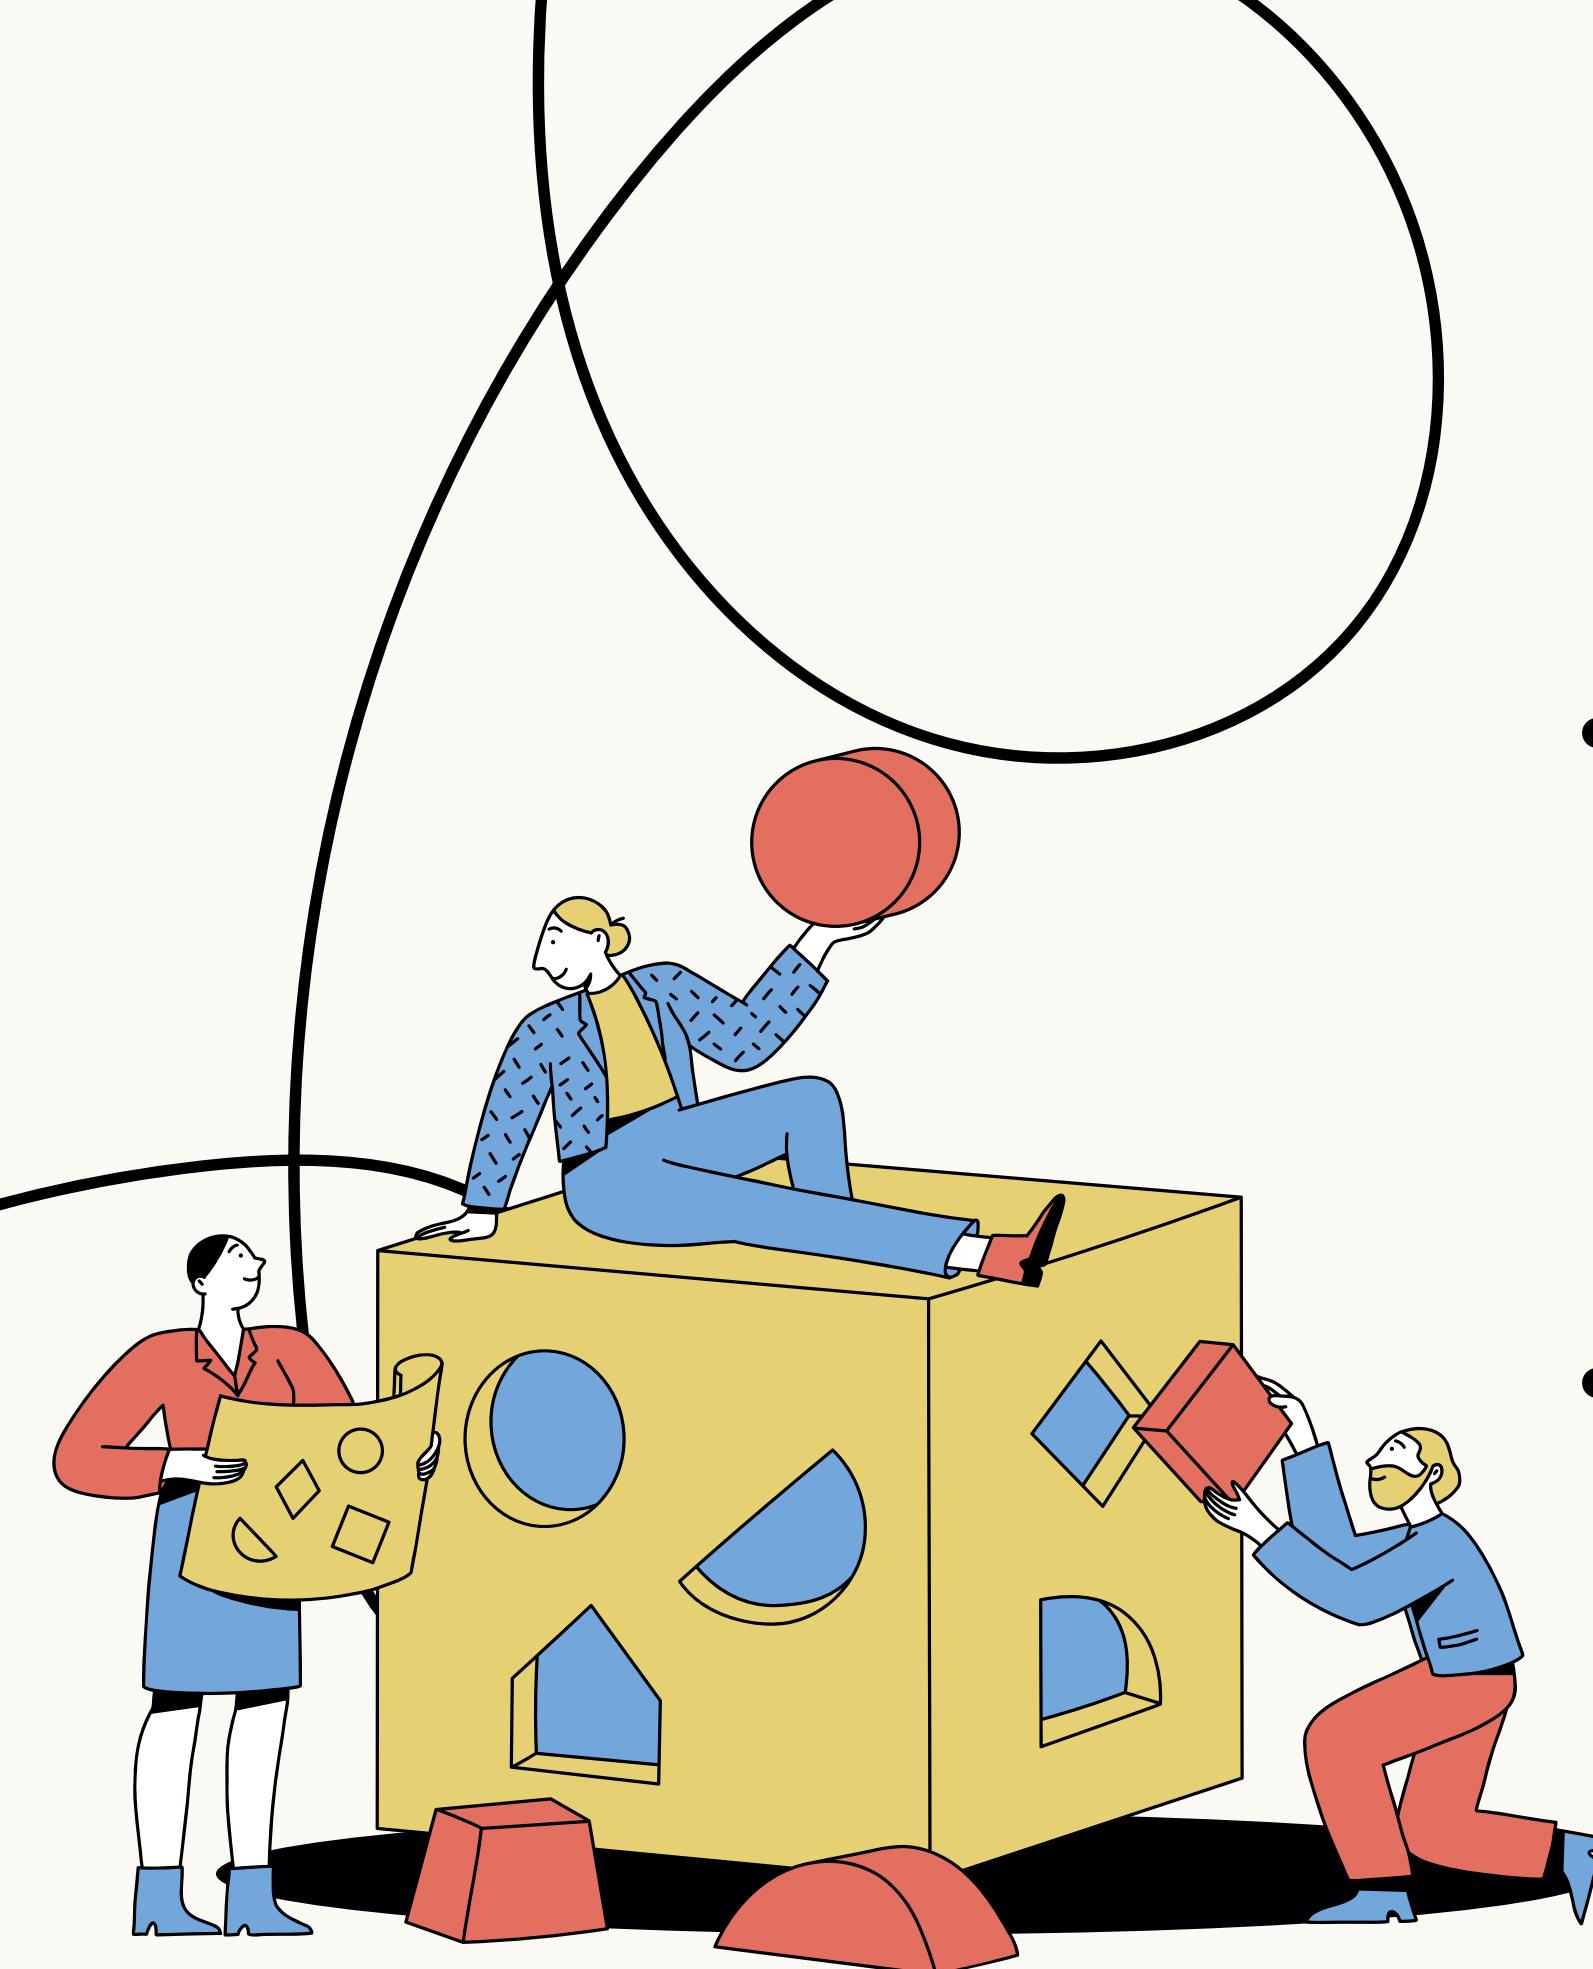

SUGGESTION BOX

- **Functionality:** Citizens can submit suggestions or concerns.
- **Anonymous Option:** Users can choose to submit feedback anonymously, which may encourage more honest input.
- **Named Option:** If citizens prefer, they can submit their names, which can help in follow-up discussions.

2

TYPES OF CONCERNS

- **Categorization:** Select from different categories (e.g., safety, sanitation, infrastructure) to streamline the processing of concerns.
- **Priority Levels:** Indicate the urgency of their concerns, allowing barangay officials to prioritize responses.

3

ANNOUNCEMENTS

- **Broadcast Feature:** Officials can post updates, events, and important notices to keep the community informed.
- **Comment Section:** Citizens can engage with announcements, asking questions or providing feedback.

Additional Features

1. Real-Time Updates

Notification System

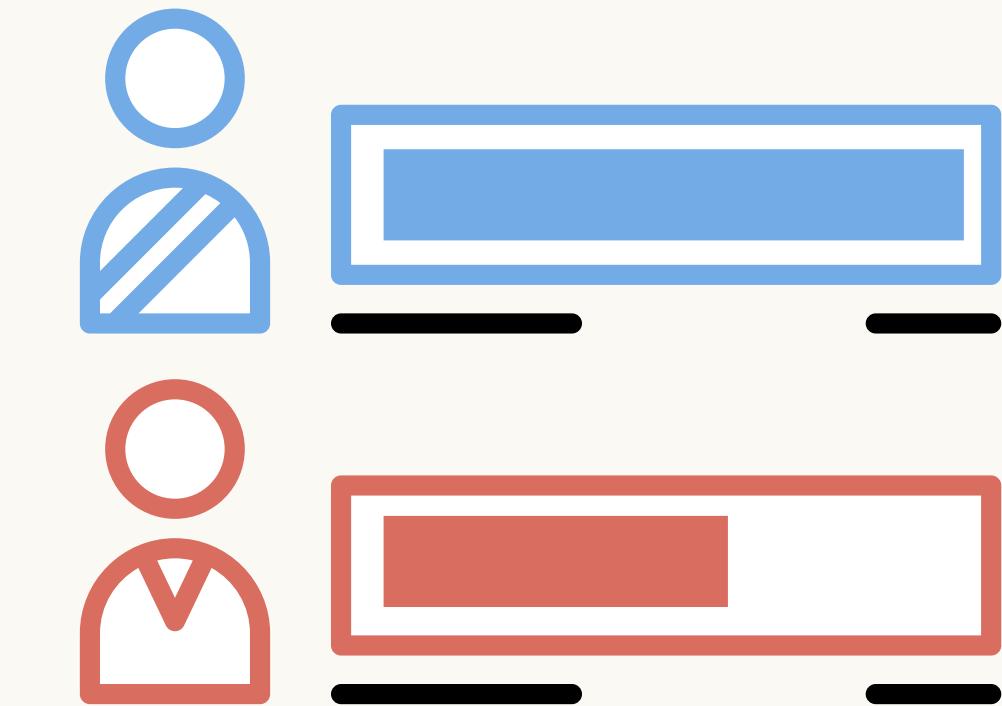

Citizens receive push notifications for new announcements or responses to their suggestions.

2. Community Pols

Engagement Tool

Conduct polls on community issues to gauge public opinion and involve citizens in decision-making.

Upcoming Events

A section where citizens can view and RSVP to local events, such as community meetings or festivals.

3. Event Calendar

4. Resource Center

Informational Hub

Provide access to important documents, contact information for officials, and local resources (like health services, disaster response, etc.)
